

DAYBREAK

Daybreak was formed with the commitment to provide innovative supports and services for people with disabilities. Our guiding values are the foundation of Daybreak: a foundation able to withstand inevitable system changes while we continue to foster an environment in which each person is encouraged to make and achieve their own personal goals through Person Directed approaches to service delivery. With an average of over 20 years experience each in developing and managing programs for people with disabilities, Daybreak's management team is committed to providing a safe and healthy environment where every individual can experience a Dawn Of New Opportunities.

Our Guiding Principles

- We take pride in all we do.
- We honor our commitments.
- We empower.
- We operate as a team.
- We drive out fear.
- We are responsible for our environment.
- We will be Thoughtful, Honest, Intelligent, Necessary, and Kind - T.H.I.N.K.
- We provide growth opportunities.
- We will master efficiency.
- We make sound financial decisions.
- We will be THE leader in our chosen field.

Daybreak services are individually tailored to enhance the personal strengths of each individual. The focus of the services is to enable each person to live and work in his or her community as that person chooses. Our goal at Daybreak is to ensure that individuals supported through Daybreak services have the opportunities they choose and cherish. Daybreak focuses on supporting people in their quest for personal growth, but also in staying "out of the way" so that ultimately they are able to live "their way".

MISSION

...Empowered people united to enhance quality of life physically, emotionally and spiritually.

MAKE LIFE BETTER

Daybreak

The people who have sought Daybreak services tell us what is most important to them. Having friends and family, having a job, doing things they like to do in their home and community, having good health, and making choices and achieving personal goals are of the utmost importance.

Our Guiding Values:

- ☀️ Quality
- ☀️ Inclusion
- ☀️ Choice

Residential Support

Quality

We implement and sustain innovative supports to enhance individual strengths and meet each person's unique needs. By employing an experienced, well trained team of professionals who truly listen to the individual and the people who know that individual best, effective and efficient services are planned and implemented which produce the outcomes desired by the individual receiving the service.

Inclusion

We facilitate strong community connections. Such opportunities as community employment, volunteering for causes of personal interest, and countless recreational and entertainment potentials are fostered by Daybreak to assure community connections are strong. In all aspects of Daybreak's service development and delivery, the importance of maintaining the family's strength and building each individual's sense of belonging remains a focal point.

Choice

We respect, listen and respond to each person's decisions and desires. Individualized services are developed using a 'Person Centered' planning approach which places the individual and family seeking services as the driving force in how these services are developed.

The array of supports offered by Daybreak range from intensive one-to-one settings to independent supported living and work settings.

In all Daybreak regions, we ensure as many choices as possible are available for each individual. Daybreak holds multiple contracts with day habilitation providers, therapists, dentists, and all other service areas. We also provide continuity by contracting with an individual's existing service providers.
